EXPERIENCES AND ACHIEVEMENTS

- Qualified the **INET(Indian Navy Entrance Test)** and got placed as a **Gun Security(SSR)** officer at Mumbai.
- Worked as a **marketing** team member of an educational institution.

SOFT SKILLS

- I have strong **organizational skills** and an **individual contributor** as well.
- Skilled at **time management.** Being a student I provide educational opportunities to many other students by doing home tuitions and I manage to attend my own classes as well.
- I do have **leadership qualities** as I always try to help out my non-cs friends with their technical doubts, whether in the classroom or the night before the semester exam. I believe that the victory of a good leader lies in the success of her team work.
